### DESCRIPTION AND PURPOSE OF ITEM

This item identifies the exact location of an Overhead Obstruction. The location is usually referenced as a specific distance from a roadway intersection along an identified highway.

This information is used to safely route vehicles with loads that exceed legal size limitations.

This item can be obtained from construction plans, County General Highway Key Maps or field review. If in question, contact the Central Bureau of Operations.

### CODE AND SCREEN ENTRY INSTRUCTIONS

A 35-digit alphanumeric field, left justified, including letters, numbers, special characters and spaces.

Abbreviations may be used as long as the meanings are clear. Refer to Street/Road Name (Item 61) for a list of suggested abbreviations.

#### Example

0.5 miles North of IL 123
